

FULLY CUSTOM SIGN CAPABILITIES

LED SIGNS

Our custom LED signs have low minimums and quick turn arounds. We can create any shape to take your brand to the next level.

SOFT NEON SIGNS

Custom soft neon signs are more cost-effective than traditional neon, but still has a big impact when it comes to bringing attention to your brand.

ANIMATED SIGNS

Movement is a great way to get your brand noticed. We can produce animated signs that can do just about anything to draw attention to your brand.

METAL LIGHTED SIGNS

We can make metal signs from a variety of metals. Metal signs are a great and recognizable way to showcase your brand.

WOOD SIGNS

We can design and produce a custom wood sign that will fit the look of your brand. We can also enhance the wood sign with lighting elements.

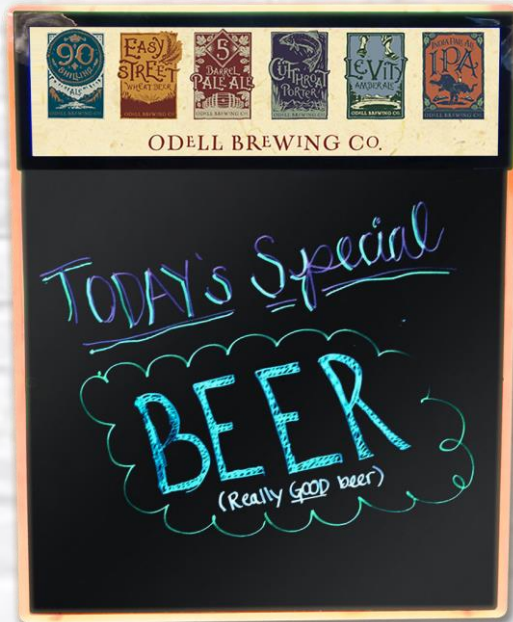

NEON LIGHTED SIGNS

Neon signs are the most traditional signage used in bar/restaurants. We use standard neon tubes and can design and produce any type of custom neon sign.

WRITING BOARDS

Custom writing boards are a great way to get your brand notice while customers are reviewing a message.

CLOCKS & COUNTDOWN SIGNS

Countdown signs and clocks are a fun and engaging way for customers to notice your brand.

POLE SIGNS

There are a variety of materials to use, such as wood, metal, acrylic, or corrugate to create the perfect pole sign to represent your brand.

BOTTLE DISPLAYS

Custom bottle glorifiers and back bar displays showcase liquor and beer bottles in an attractive manner that will catch the attention of consumers.

For over 30 years, IMC has served beverage manufacturers, distributors and importers in the United States. We are committed to bringing IMC's high level of leadership and entrepreneurial spirit to every interaction with you – with the goal of growing your business and elevating your brand.
